Fences 90cm max (exc. Joker) – Open

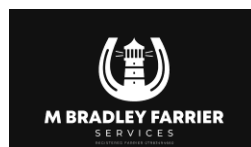

Joker – these classes run as a set course (timed), with the last fence presented as a regular height fence, OR the rider can choose to jump the Joker fence (which will be 10cm higher). Jump faults are accumulated as time faults (4 faults for a knock down, becomes 4 seconds added to time, etc.). The Joker fence allows the rider the chance to take 10 seconds OFF if they jump it clear... but 10 seconds ADDED if they knock it down or refuse it! *Will you brave the Joker fence!?*

Take Your Own Line – in these classes, the rider can choose whether they ride the set course, OR they can ride the fences in an order of their own choosing. Each fence must only be jumped once. The round is timed and jump faults are added as normal. *This is your opportunity to ride the quickest route possible!*
